

SPONSORED EVENTS

By the Australian Side Saddle Community.

The ASSC encourages all to experience and appreciate the elegance, history, and tradition of side saddle riding.

Riders and their associates are considered ambassadors for the discipline of side saddle riding. As such, they are expected to conduct themselves with integrity and respect in all situations. Due to the rarity and uniqueness of side saddle riding, participants often draw public attention. It's important to remember that many people may perceive side saddle as "unsafe" simply because they are unfamiliar with it.
